

## STARTING A NEW BUSINESS

Are you considering starting a new business? Do you wonder what steps should be taken in order to have a better chance at having a successful business? Well, here are a few websites that we have noticed that appear to be of significant assistance.

Here is a website provided by the US: <http://www.sba.gov/>. This website would be a good starting point, as it discusses business entities, licensing and employment and identification numbers.

This is a State of California website that contains considerable information on the tax and legal areas of starting a business: <http://www.sos.ca.gov/business/be/starting-a-business.htm> .

Here is another site from the State of California regarding starting new businesses: <http://www.taxes.ca.gov/strikinggoldbus.shtml> .

This is a website that a California attorney has published that provides information regarding starting a new business in California: <http://www.yourlegalcorner.com/articles.asp?cat=biz&id=6>.

Remember, there is nothing wrong with consulting experts when starting up a business. An attorney, accountant, insurance agent, even a leasing agent can be your best friend when you need them most.
