

Online Payment Instructions for Business Estimated Tax Payments or Annual \$800 for Corporations

1. Go to FTB.ca.gov
2. Click on "**Make a Payment**", choose "**Bank Account**". This is not for credit card payment.
3. Click on "**Business**," then click on "**Use Web Pay Business**".
4. Enter "Corporation" for entity type.
5. Enter **Entity ID**. This is not the same as EIN. This is a 7-digit ID number.
 - a. If you don't know your corporation's entity ID, go to [Search/California Secretary of State](#)
 - b. On the search bar, enter your company's name.
 - c. Find your company name from the result list. The entity ID is found below your company name.
6. Enter your name.
7. For tax form, select "Form 100, 100S, 100W, or 100X".
8. For payment type, select "**Estimated Tax Payment (Form 100ES)**".
9. Period beginning date is January 1, XXXX, unless you have a calendar year period. The year is the year to which you want the payment to apply. Be careful.
10. Period ending date is December 31, XXXX, unless you have a calendar year period. The year is the year to which you want the payment to apply. Be careful.
11. Click on "**Add an estimated tax payment**".
12. Enter the payment amount and the payment date.
13. Enter your bank account information
14. Review and Submit
